

GET TO KNOW
Alaska

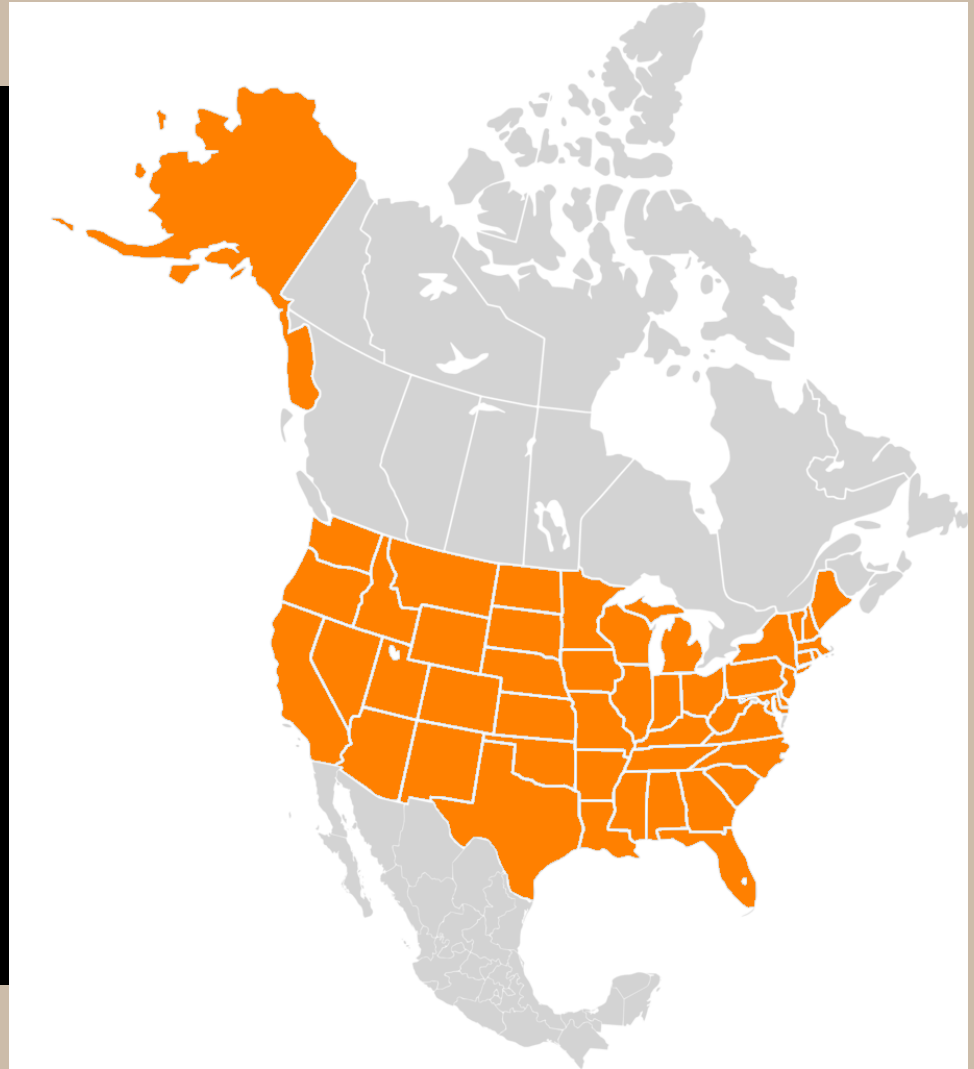

ALASKA

what do we know?

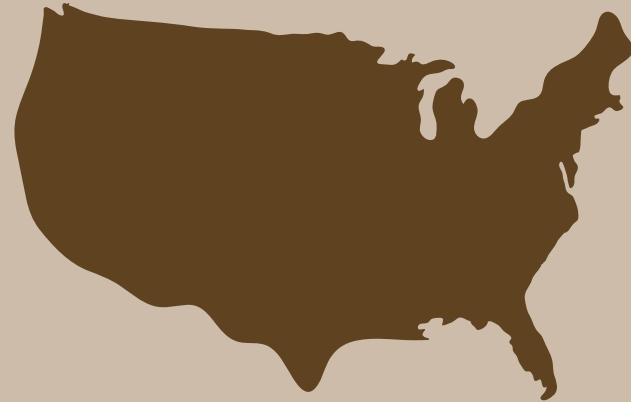

what do we want
to know?

**It is part
of the
United
States**

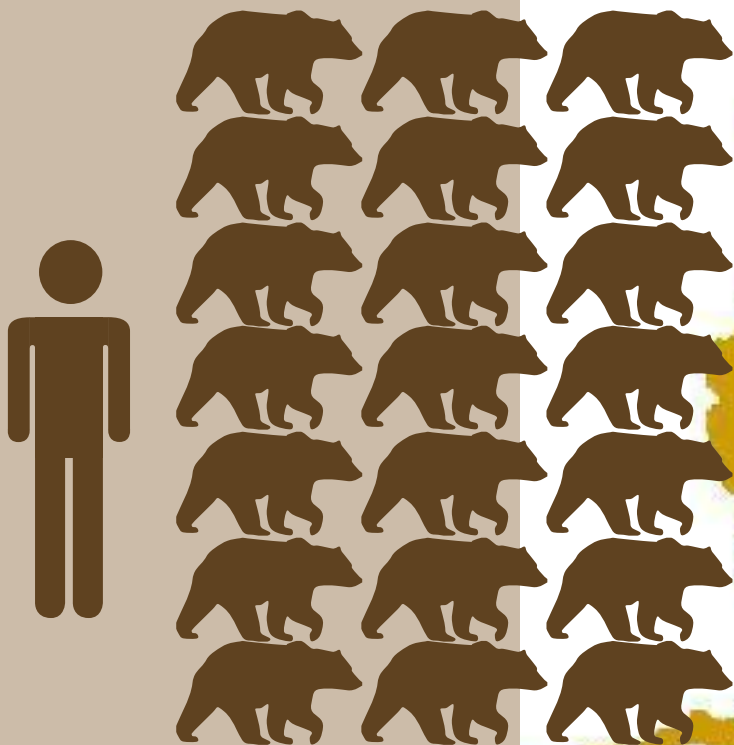

It is BIG!

It has more nature than people

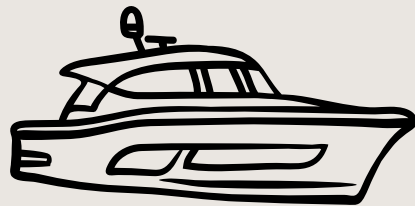

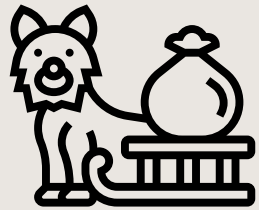

It is home to Native people.

It is COLD!

It has more rivers than roads

**It is full of mountains,
lakes, ...**

Lijuan Guo/Shutterstock

And glaciers!

Pixeljoy/Shutterstock

Its habitats are home to many animals ...

including these marine mammals!
