

OBSERVE means to look closely at something to learn more about it

1. Find a stuffed animal or a photo of an animal from a magazine or online
2. Draw a picture of the animal below:

3. In the box below, write down as many **DESCRIPTIVE WORDS** about the animal as you can. A descriptive word gives us more information about the thing we are observing.

Examples of descriptive words: gray, striped, large, rough

Rapid-Fire: Design an Animal

Use the prompts below to design an animal quickly with just a pen or pencil!
